Price excludes taxes and regulatory charges, including universal service fund fees, relay and line charges for Internet access. Service is subject to availability. Some Freedom Features may not be available in all service areas. In such a case, EPICUS may include the closest available feature that is available at its discretion.

Other Terms and Conditions For ALL Freedom Rings Plans.

- Only outbound state-to-state and in-state domestic long distances calls in the contiguous 48-states.
- Savings per line vs. BellSouth vary by the number of lines and other factors that may affect total savings as stated.
- EPICUS will switch existing service only.
- You must currently have local phone service from the major provider in your area in order to be eligible for service from EPICUS.
- Credit restrictions apply.
- Terms and Conditions apply.
- Monthly rate does not include applicable taxes and regulatory surcharges.
- Some states have per minute or other usage charges for local calling outside the plan, directory assistance and other operator services.
